Wholesale Trade List

Season 1925-26

GRATITUDE—

I wish to thank each of my customers of last season for their liberal patronage. In presenting this my 1925-26 Sheet, I am offering the best lot of stock it has been my privilege to offer for several years.

Remember that "Rush" is my middle name. Later on when the rush is on and you want to send some one a rush order to be rushed right out think of "RUSH PARKER."

Wholesale Trade List

Season 1925-26

MOVEMENT OF STOCK—

Field grown stock will begin to move about December 10th, depending somewhat upon the season. We do not dig until stock is thoroughly dormant. Stock which has been grown in containers can be shipped any time.

SHIPPING—

Please state how you wish stock shipped, whether by freight or express, also give routing. All goods travel at the purchasers risk after being delivered to carrier in good order.

CLAIMS—

No claims for shortage or error will be recognized unless made within ten days after receipt of shipment.

PACKING—

No charge for packing where cash accompanies the Order, otherwise a small charge will be made to cover cost of materials.

RATES—

Please order in multiples of tens as much as possible. Five of any one variety and grade will be furnished at the ten rate, forty at the hundred rate and 250 at the thousand rate. On lists of less than five of a kind, add 10% to the ten rate.

NO WARRANTY—

I give no warranty of any nature as to quality, germination, growth or productiveness, of any seeds, bulbs, plants or trees that I sell. Should any stock that I sell prove untrue to label, I will upon proper proof, replace such stock free of charge, or refund the amount paid for same, but it is hereby understood and agreed between purchaser and myself, that I will not under any circumstances be held liable for an amount greater than the original purchase price.

TERMS—Read very carefully.

Cash must accompany Order or shipment will go C. O. D. except to those with whom we have had previous dealings or know to be responsible. Those wishing to open short time charge accounts will be required to furnish satisfactory Bank and Trade reference, allowing time for investigation. All bills are due and payable on the first day of the month following shipment of stock. Unless otherwise arranged before shipment, every sale is made with the understanding that these terms will apply.
